Champion of SRHR with 61 years of journey

Family Planning Association of Nepal (FPAN) is a Member Association of International Planned Parenthood Federation (IPPF), since 1959 with a vision where all people are free to make choices about their sexuality and wellbeing, in a world without discrimination.

FPAN is a leader of Family Planning (FP) and Sexual & Reproductive Health and Rights (SRHR) for last 61 years in the country. It has been a pioneer to bring changes in quality of life for Nepali people.

FPAN serves as

- center of excellence for successful advocacy, and for empowering women and young people;
- demand generator and quality service provider;
- passionate organization serving people with equity and social justice to the underserved communities;
- national champion to institutionalize norms of small, happy and prosperous family;
- institution for national capacity building on family planning and reproductive health;
- committed partner to complement and supplement GoN strategy to fulfill the needs of people;

FPAN welcomes partnership with key bilateral, multilateral, international, national and sub-national agencies and individuals for strategic alliance in promoting SRHR.
